# MATERIAL SAFETY DATA SHEET

## Biological Indicators

### SECTION IV FIRE AND EXPLOSION HAZARD DATA

**Flash Point:** N/A

**Flammable Limits:** N/A

### SECTION V HEALTH HAZARD DATA

**Eye Contact:** No irritation is expected from accidental contact with the microorganisms.

**Skin Contact:** No skin irritation is expected from accidental contact with the microorganisms.

**Inhalation:** Inhalation is not a likely route of exposure to this product. No health hazards are expected from accidental inhalation of the microorganisms.

**If Swallowed:** Ingestion is not a likely route of exposure to this product. No health hazards have been associated with accidental exposure to the microorganisms.

**Other Health Hazard Information:**  
The microorganisms contained in the Prospore2 unit are non-pathogenic organisms. World Health Organization (WHO) Group 1.

**Protective Clothing:** Safety glasses and gloves should be used when removing this product from the sterilizer and during activation of this product. The use of moisture impervious aprons and other protective clothing must be dictated by the standard operational procedures of each individual laboratory.

### SECTION IX SPECIAL PRECAUTIONS

The Product Instructions for Use, which accompanies the distribution of each product, contains specific information regarding specific precautions.

**The statements contained herein are offered for informational purposes only. Since conditions and manner of use are outside of our control, we make no warranties, expressed or implied, and assume no liability in connection with any use of this information.**
